Ride Share Protection

Using a smartphone app to hail a ride from a private driver has become common practice in most areas. The convenience, customer support, and potential for cost savings have all lead to the rapid rise in popularity of these ridesharing services. As the popularity in using these services rises, it is important to remember that accidents can happen when you are traveling as a passenger while riding in a vehicle arranged by a Transportation Network Company. Fortunately, that is where Ride Share Protection can help.

You and your Traveling Companion(s) are automatically covered if your name is embossed on an eligible business card issued in the United States and you use it to charge a portion of or the entire amount of the required fare to your Account.

How to use Ride Share Protection

1. Contact a Transportation Network Company to arrange your Trip.
2. Add your covered card as a payment method in the app and charge a portion of or the entire amount of the required fare to your Eligible Account.

The amount of the benefit is limited to the maximum benefit amounts shown below for each benefit per covered accident, per Eligible Person.

Coverage	Benefit Amount per covered accident, per Eligible Person
Accidental Death and Dismemberment Insurance	\$100,000.00
Personal Property Benefit	\$200.00

How does it work?

Accidental Death & Dismemberment Insurance provides coverage up to \$100,000.00 dollars per covered accident, for accidental loss of life, limb, sight, speech or hearing while on a covered Trip pre-arranged by a Transportation Network Company. If the cardholder's injuries occur while on a covered Trip and results in a loss **within three hundred and sixty-five (365) days of an accident**, the Company will pay the following percentage of the loss shown in the table below.

Loss	Percentage of Loss of Life Benefit Amount
Loss of Life; Loss of Speech and Loss of Hearing; Loss of Speech or Hearing and Loss of one Hand, Foot or Sight of One Eye; Loss of Both Hands; Loss of Both Feet; Loss of Sight of Both Eyes; Loss of a combination of any two of a Loss of Hand, Loss of Foot or Loss of Sight of One Eye; Quadriplegia	100%

Loss of One Hand; Loss of One Foot; Loss of Sight of One Eye; Loss of Speech; Loss of Hearing; Hemiplegia; Paraplegia	50%
Loss of Thumb and Index Finger of the same hand; Uniplegia	25%

“Quadriplegia” means total Paralysis of both upper and lower limbs. “Hemiplegia” means total Paralysis of the upper and lower limbs on one side of the body. “Uniplegia” means total Paralysis of one lower limb or one upper limb. “Paraplegia” means total Paralysis of both lower limbs or both upper limbs. “Paralysis” means total loss of use. A Doctor must determine the loss of use to be complete and not reversible at the time the claim is submitted.

The accident must occur while the Eligible Person is on a Trip and is covered under the policy. Coverage applies in the event the Eligible Person is injured while riding as a passenger as well as entering and exiting a vehicle used on a Trip. If more than one loss is sustained by the Eligible Person as a result of the same accident, only one amount, the largest applicable to the losses incurred, will be paid. The Company will not pay more than one hundred percent (100%) of the maximum limit for all losses due to the same accident.

Loss must occur within three hundred and sixty-five (365) days after the Accident.

Personal Property Benefit reimburses the reasonable cost, up to \$200.00 dollars per covered incident, for replacement of any personal property that is lost, damaged or totally destroyed, while the Eligible Person and their Traveling Companion(s) are on a Trip. In the event of an incident, the Company will require certification by a police or First Responder, in an incident report, that the item claimed was actually lost, damaged or totally destroyed. For lost items, you must follow your rideshare’s procedures for reporting lost items within 24 hours. Proof of contact and settlement, if any, will be needed for the claim process.

At it’s discretion and depending on the nature and circumstances of the incident, the Benefit Administrator may choose to address your claim in one of two ways:

1. A damaged or totally destroyed item may be repaired, rebuilt or replaced wholly or in part.
2. A lost item may be replaced.

You will be notified of the decision to repair, rebuild or replace your item within fifteen (15) days following receipt of the required documentation. Replacement costs will be the actual cash value (replacement cost less depreciation) of the articles at the time of loss up to the maximum benefit amount. “Personal Property” means personal goods belonging to the insured Eligible Person or for which he or she is responsible provided they are taken on the Trip or acquired by the Eligible Person during the Trip.
